Siva Prakasam

Web Developer

Profile

Web developer with 5+ years of experience in React.js, JavaScript, and responsive, optimized web development. Skilled in building scalable applications and delivering seamless user experiences.

Experience

Fullstack Developer Aug 2021 to present

Pyramidions Solutions, Chennai

Learning new JavaScript methods and coding architecture while collaborating with the team.

Projects

Fullstack Setup 2024

Ready-to-use bash scripts that streamline setup, database management and testing. On an unsupported OS, the commands can be run manually from the script files.

React Dev Custom Components 2022

An open-source platform to build web apps faster with pre-built hooks, components and shared logic. Components are independent and reusable.

dev-reacts.web.app

Demo Crypto 2022

Crypto trade practice platform to learn different trading logics, using Coinbase realtime data over a websocket.

democrypto-7f0f3.web.app

Book Donation 2021

React app that encourages people to donate books, with a views and hooks based structure.
